Science Summer School Program

When: June 14, 2010-July 1, 2010, Monday – Thursday,
9:00 a.m. – 12:00 p.m.

Topic: Week 1 – Earth Science
Week 2 – Life Science
Week 3 – Physical Science

Cost: \$375.00 Payable to Robin Lux

Focus: This program is designed to assist students who struggled with science concepts during their fourth through seventh grade school years and is a requirement for students who failed their fourth through seventh grade science course.

Students will benefit from hands on labs across all three disciplines of science, listed above, in order for them to be better prepared for their upcoming school year in science class. Attendance will be mandatory every day for successful completion of the program

Teacher: Mrs. Lux will be teaching the program this summer. She is a highly qualified teacher with a Masters of Science in Science Education from the University of Michigan – Dearborn Campus.

We look forward to working with your child.
